1. [REDACTED] has notified me, as per our agreement, that he desires to perform consulting services with the [REDACTED] located in El Segundo, California.

2. According to the ruling we obtained regarding the use of [REDACTED] and his other consulting activities, his intended services with [REDACTED] were considered by the NPIC regarding possible conflicts of interest.

3. Since NPIC is not contracting with the [REDACTED] and since the work [REDACTED] will perform for them will not relate to the basic mission and interests of the NPIC, we see no possibility of a conflict of interest arising from this venture of [REDACTED]. In addition, his work with [REDACTED] will not interfere with [REDACTED]'s activities for NPIC as our demands upon his time are quite limited.

4. It is the NPIC's desire that your office officially notify [REDACTED] of the fact that we interpose no objection to his consulting for the [REDACTED]
